

2 2 0 1 S T X U

The Aversa Ultra-Fix™ is designed for universal pans and features stainless steel hinges which provide superior strength. Made from thermoset plastic, this seat is long-lasting and offers a ceramic-like shine. The patented Ultra-Fix™ hinge fixing system ensures a perfectly tight installation. The lower portion of the nut shears off when the proper tightness is reached, so you cannot over-tighten.

SEAT FEATURES

Ultra-Fix™ - patented fixing system that will not loosen! Simple, "no mess" installation ensures your seat stays tight on the pan.

Scratch Resistant - made from hard, Durolux® material that resists scratches.

Heat Resistant - High resistance to burns and flames.

- · Long-lasting thermoset plastic offers a ceramic-like shine
- Stainless steel hook hinges
- Fits majority of manufacturers' universal shaped pans

SEAT DIMENSIONS

• Individual seat weight: 1.80 kg

• 7 seats per master carton

Bemis Ultra-Fix™

The patented hinge fixing system that does not loosen.

Easy:

One-piece integrated nut

Fast:

No hassle with glue or adhesives

Secure:

When the nuts shear off, the seat stays tight

Effective:

This tried and tested solution will eliminate costly call-backs for loose toilet seats

Unique finned bushing prevents shifting in toilet pan mounting holes

Nut snaps off at precise tightness to lock down the seat!

Installation is Fast & Easy:

When fitted correctly, the seat will not slip, wobble or shift on the pan. This simple fixing system installs in three basic steps -- no glue required!

Finger Tighten

Tighten with Spanner

Snap to Secure
