

The Fano Ultra-Fix™ is designed for universal pans. Made from thermoset plastic, this seat is long-lasting and offers a ceramic-like shine. The stainless steel hinges provide superior strength and install easily. The patented Ultra-Fix™ hinge fixing system ensures a perfectly tight installation. The lower portion of the nut shears off when the proper tightness is reached, so you cannot over-tighten.

SEAT FEATURES

Ultra-Fix™ - patented fixing system that will not loosen! Simple, "no mess" installation ensures your seat stays tight on the pan.

Scratch Resistant - made from hard, Durolux® material that resists scratches.

Heat Resistant - High resistance to burns and flames.

- Long-lasting thermoset plastic offers a ceramic-like shine
- Standard 158 mm fit stainless steel hook hinges
- Fits majority of manufacturers' universal shaped pans

SEAT DIMENSIONS

- Individual seat weight: 2.0 kg
- 7 seats per master carton

Bemis Ultra-Fix™

The patented hinge fixing system that does not loosen.

Easy:

One-piece integrated nut

Fast:

No hassle with glue or adhesives

Secure:

When the nuts shear off, the seat stays tight

Effective:

This tried and tested solution will eliminate costly call-backs for loose toilet seats

Installation is Fast & Easy:

When fitted correctly, the seat will not slip, wobble or shift on the pan. This simple fixing system installs in three basic steps -- no glue required!
